

Dear NBEPC Family:

Do you ever sometimes marvel at the intricate detail with which God created this world? As I was walking back to the manse on the day I wrote this article, the sky was blue and the oranges, yellows and reds on the trees were absolutely stunning. God could have made leaves turn grey and fall off the trees, but instead He gave us this multi-color burst that indicates but a small portion of His glory.

The order and precision with which God's plan plays out is the subject of our next sermon series, called "Thank You For Your Order." As 1 Corinthians 14:33 says, "God is not a God of disorder but of peace." This series will look at historical aspects of God's plan, in which we can witness the detail which He is executing His plan for this world and for each of us individually.

In the meantime, it is also important that we trust Him to know the details of this church and its ministries. He knows that we are looking to hire a Director of Music Ministry and with Antonio and Maram Ford's brief appearance with us, gave us a little hint at where He might like the worship of Him to go. He sees and approves of the short and long-term Growth Groups operating right now in the church, and will direct us to even more. He knows that He led us to want to "serve God here, there and everywhere," and is giving us the opportunity to serve and interact with this community with such things as "Trunk or Treat." As of this writing, we are anticipating a wonderful event the evening of November 1.

God is in the details, and His Holy Spirit is active and moving in this church. Let us follow where He leads, and let us be bold and courageous. As the Bible says, He will be with us...wherever we go.

Blessings,

Pastor Dan

Thank you to Bobbi and Gary Anderson for the donation of the coffee station at church. It helps our healing to see the blessings spread in memory of our daughter, Tiffany. God bless you.
